LENS + TECH WIPES

POWERED BY | NANO MAGIC®

Dirty lenses have met their match. Nothing outperforms lens cleaner, powered by Nano Magic[®]. Our lens cleaning formula breaks down and lifts dirt on contact. Nothing removes dirt, oil and cosmetics better. Just wipe the grime away for a haze-free, streak-free, spotless view.

STOPS FOG • REPELS MOISTURE • STAYS CLEAR

Stop fog cold and eliminate it anywhere, anytime. Our DeFog It™ anti-fog product is unmatched at keeping lenses clear and fog-free. Through rigorous testing DeFog It[™] has been proven to work better and last longer. It is safe and highly effective on all types of lenses, including anti-reflective coatings.
